Sir: Re Ruska Babycz,
Plain Lake, Alberta,
Your Reference No. 4515.

I beg to acknowledge receipt of your communication of the 16th instant, wherein you ask for information relative to the age of the above mentioned party, stating that the applicant's husband (deceased) made application for patent for his homestead in the year 1905, the property being described as the North East of 16-53-12 West 4th Meridian, and asking to be advised if the wife's age was given in this application for patent.

In reply I may say that the land in question was entered for as a homestead in the name of Maksym Babick on the 18th of May, 1907, and patent was issued for the quarter section on the 26th of February, 1916.

The application for patent, however, did not show the age of his wife, but when making application for entry on the 18th of May, 1907, he stated that his wife was then forty-four years of age.

MEMORANDUM:-

Mr. Home.

S.E.¼ 14- 27- 3- W.4th. M.
Patented Homestead of,
Joseph H. Totten.
Patent Issued, 14th. March, 1913.

In his application for patent Mr. Totten claimed to have performed the required residence duties by actually living upon the land, and by substituting stock raising in lieu of cultivation.

According to the application, and also to a Homestead Inspector's report the residence duties appear to have been performed in a curious manner, that is, he resided on his homestead, the first and last week of each month, during the years 1906-7, and part of the year, 1908.

On the 11th April, 1911, after the issue of patent, Mr. L. Money represented to the Department that Mr. Totten had been keeping a store in Calgary, and that he had been living and working in that place during the most of the time during which he claimed to have been living upon his homestead.

The matter was referred to a Homestead Inspector for investigation and a report recently received would tend to show that Mr. Totten had fully performed all the duties called for by the regulations although perhaps not all claimed in his application

application for patent.

Under the circumstances, I would suggest that the matter be allowed to drop.

Respectfully submitted,

The Agent at Edmonton encloses an application from the Rev. P. Department of the Interior,

Ottawa, 2nd April, 1903.

Memorandum:-

I beg to return Mr. Pierre Laboucanne's letter to the Minister, dated St Paul des Metis the 14th ultimo, asking for permission to make a second homestead entry.

It is stated in such letter that Mr. Samson Berland, who was similarly situated, was given permission to make a second entry, while that privilege was refused Mr. Laboucanne.

The records show that Pierre Laboucanne entered as a homestead in July, 1894, for the W $\frac{1}{2}$ of the W.$\frac{1}{2}$ of section 5, township 46, range 20, west 4th meridian, for which a patent was issued to him on the 30th December, 1895, According to his application for patent which is attached to File 342895, he resided continuously on his land from August, 1886 to the date of his application for a patent, which is dated the 31st October, 1896, and he could not, therefore, have completed his three years settlement duties until August.1889, and as such persons only, under the statute,as had, prior to the 2nd June, 1889, completed their settlement duties so as to be entitled to their patent or a certificate of recommendation for patent were eligible to make a second homestead entry, Mr. Laboucanne's application for a second homestead entry cannot be entertained.

J.W.Greenway, Esq.,

Commissioner of Dominion Lands.

Mr. Berland's application for homestead patent for the E.½ of the W.½ of the said section, on File 896930, shows that he made his entry on the 16th July, 1894, and that he performed exactly the same period of residence on his land as Mr. Laboucanne did on his own homestead, but Mr. Berland was by letter of the 7th June, 1904, permitted (apparently by mistake as he does not appear to have been entitled to that privilege) to make a second homestead entry.

In reply to your memorandum of the 30th ult'imo, I beg to say that the enquiry made has reference to the privilege granted to Pierre Lahaie to make a second homestead entry, while it should have referred to Henry Borland, the Mr. Pierre Lahaie was stated in his letter had been granted the privilege of making a second entry, while he (Lahaie) had forfeited, although similarly situated.

To state whether Mr. Borland made a second homestead entry would necessitate the examination of at least all the Returns of the Edmonton Agency since June, 1904, which would involve a great deal of time, and before undertaking this work I thought it advisable to submit this explanation to you.

Sir,

I am directed to inform you that Mr. Pierre Lalouette of St. Paul de Metis has informed this Department that Mr. Damase Lapland, whose case was similar, has given permission to make a second homestead entry while that privilege was refused to Mr. (Lalouette); and in this connection to state that Mr. Lapland's application for homestead patent for the N.½ of the S.½ of section 5, Township 49, Range 10, West Fourth Meridian, appears to be made out on the 14th July, 1904, and that he (Lapland) owns the same quarter section of the land as Mr. Lalouette in his own right, the N.½ of the S.½ of the said section. Neither of these cases appear to be entitled to second homestead entry but Mr. Lapland was permitted by our letter of the 4th June, 1904, (inadvertently) while, to exercise the privilege mentioned.

I am further to say that if Mr. Lapland was not originally entitled this right it would be withdrawn. If, however, he has already been granted entry for a second homestead no further action can be taken in the matter.

EDMONTON ALBERTA

EDMONTON ALBERTA
April 8, 1947.

Mr. J.W. Judge,
Chairman,
Seed Grain & Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: John Haynes.SW 21-10-16-4.
Old Joint Relief Advances.
Supplementary to Board Order No. 332.

The above party obtained Joint Relief Advances giving as security liens on the title to the above parcel of land which are still outstanding in the amount of one hundred and seven dollars and sixteen cents ($107.16). These advances were previously dealt with by the above mentioned Board Order which released the debtor of any further responsibility under the personal covenant.

Old Joint Relief.	
Mar. 25/22	$18.00
Apr. 26/22	76.58
	$94.58
Int. Mar. 31/40	67.58
	162.16
Paid.	55.00
	$107.16

Title to the land eventually reverted to the Province under the provisions of the Tax Recovery Act and a sale has now been effected for the sum of two hundred and forty dollars ($240.00) which is represented to be the fair value of the land at the time of sale, the tax arrears at that date amounted to four hundred and seventy-five dollars and fifty-two cents ($475.52). Allowing the usual sum of five dollars ($5.00) to cover costs and pro-rating the difference results in the following allocation of the sale price:

Costs.	5.00
Taxes	191.78
Joint Relief	43.22
	$240.00

Cont.

The sum allotted to the Joint Relief Advances has now been received and as this will have the effect of removing all security for these advances I would recommend that the balance outstanding be written off and the liens discharged.

Yours very truly,

W. Hewlett

MEMORANDUM:-

A certificate of recommendation for patent has issued to Mr Charles H. Pilkie for the NE¼ of Section 34, Township 50, Range 6, West 4th Meridian, which contains 169 acres.

In accordance with departmental practice in such cases Mr Pilkie was asked to remit an amount for the excess area at the rate of $3.00 per acre. His patent in consequence has therefore remained in abeyance awaiting above mentioned remittance.

Mr Pilkie now urges on his own behalf, in his letter dated June 8th last, hereunder, addressed to the honourable the Minister of the Interior, that the Vermillion River traverses the full width of this land, with a wide swap bottom along with the river, the banks being very steep and stony, with ravines, making it totally useless for either agriculture or grazing. Mr Pilkie therefore submits in view of the foregoing allegations, he be allowed his patent for the above land without the payment of the amount demanded as excess of acreage.

Sir:-

I beg to advise you that the following liens are of record in this office, against the South East ¼ of section 27, township 9, range 16, west of the 4th meridian, in the name of Mr. A. H. Vanorman:-

Provisions $100.00 dated 17th September 1915,

Prov.& Fodder $117.26 dated 2nd March 1915,

Seed Grain $96.00 dated 22nd March 1915.

I am advised by the Registrar, Land Titles Office Calgary, that against the South East ¼ of section 27, township 9, range 16, west of the 4th meridian, there was registered on the 5th July 1915, a Fodder lien of $96.00, and on the 22nd November 1915, a Fodder lien of $75.00 and a Relief lien of $25.00, and a further lien of $17.26.

Gentlemen:-

Recently I obtained from the Land Titles Office at Calgary, Alberta, an abstract of title for Mr. Frederick A. Herr of Highmore, South Dakota, to the land owned by him and described as Sec. 27-9-16-4. It appears that on Nov. 22, 1915, one Adam M. Vanorman filed a seed grain lien against the SW¼ of this section. Mr. Herr has owned this land since 1912 and never had it cropped, in fact, only a few acres of the land has ever been under cultivation to the knowledge of Mr. Herr and this was before he became the owner thereof. Mr. Herr desires to have this lien removed and upon the suggestion of the Registrar of the said Land Titles Office, I am writing you concerning the matter.

Thanking you for your early attention hereto, I am,

With further reference to my letters of the 15th ultimo and 5th January requesting you to furnish certain abstracts of title in connection with seed grain and relief indebtedness, you forwarded with your communication of the 22nd ultimo, enclosing the abstracts of the S.f 20-5-17-W.4th Mer., a statement of account for $2.50 fees. It was presumed that this account was sent here under some misapprehension as it has always been understood that under the Alberta Seed Grain Act of 1915, Section 10, such abstracts would be furnished free of any fee or charge, this as a matter of fact has been the invariable practice both in Alberta and Saskatchewan. I may add that you have furnished such on several previous occasions without making any charge.

I am therefore returning the account for $2.50 above mentioned.

Memorandum:

Application of Mr.Axel Strom for supplementary patent for that portion of the S.W.¼ 22-46-16, W.4th M., shown on the plan of survey as covered by water.

Messrs. Fyfe & Ciesberg, on behalf of the applicant have filed here his statutory declaration setting forth therein that the whole of the above quarter section is now dry land, together with an abstract of title showing him to be the registered owner of the portion thereof, shown on the plan as not covered by water.

The Surveyor General, in his memorandum of the 6th June last (File 2736347 herewith), states that the plan of re-survey of the above township will show the said quarter section to contain 160 acres.

In my opinion the application should receive favourable consideration.

Re S.E.¼, 34-10-16-W. 4th Mer.,
N.E.¼, 27-10-16-W. 4th Mer.,
C. E. Stevens,
Provincial Seed Grain and Joint Relief.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens, Provincial and Joint Relief, charged against the S.E.¼, 34-10-16-W. 4th Mer., and the N.E.¼, 27-10-16-W. 4th Mer., for advances made to C. E. Stevens, be disposed of as follows;-

1. That all liens charged against the S.E.¼, 34-10-16-W. 4th Mer., be discharged.

2. That the sum of $50.00, be accepted in full settlement of all liens charged against the N.E.¼, 27-10-16-W. 4th Mer., and that with the pro rata distribution of this amount as hereinafter provided for the liens be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated October 14th, 1931, which report gives full details of all liens registered against the said land and states in support of the recommendation;-

1. That at the time the advances were made the debtor was the owner of the S.E.¼, 34-10-16-W. 4th Mer., subject to a first mortgage in favor of the Canadian Bank of Commerce, which had priority to all liens.

2. That prior to the advances being made the Taxing Authorities started proceedings under the Tax Recovery Act, and when title to said land was issued in favor of the Taxing Authorities such title was clear of all encumbrances, and this quarter section does not afford any security for the said advances.

3. That at the time the advances were made the debtor was the owner of the N.E.¼, 27-10-16-W. 4th Mer., subject to a first mortgage in favor of the Canadian Bank of Commerce, which had priority to all liens.

4. .....

4. That the Mortgagees started foreclosure proceedings and have been tendered a transfer to the said land in full settlement of their claims against same and being desirous of accepting the transfer in lieu of foreclosure have tendered the sum of $50.00 as consideration for the withdrawal of the liens.

5. That it is desirable that this offer be accepted, as in the event of foreclosure proceedings being completed all security will be lost.

6. That the amount tendered by the first Mortgagees as consideration for the withdrawal of the liens be apportioned as follows:-

To Seed Grain	$24.75
To Joint Relief	25.25
	$50.00

7. That the chattel mortgage security taken as collateral to the Joint Relief advances was realized upon and the proceeds thereof applied on account of said advances.

8. That although the debtor is still residing in the Province he has lost all his property and is making only a bare living as a casual laborer, and there is no possibility of securing any collection from him under his personal covenant.

The Board therefore recommends that the liens charged against the S.E.¼, 34-10-16-W. 4th Mer., be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Board further recommends that upon payment of one-half the amount apportioned to Joint Relief Liens, as herein provided for, the liens charged against the N.E.¼, 27-10-16-W. 4th Mer., be unconditionally discharged, and any balances remaining unpaid be written off as uncollectible.

Sir

I have yours of 6th inst re my application to purchase three quarter sections of land in township 5 & 19 West of 5th Merid.

I am aware that these applications have been entered upon but the parties so entering, are unwilling to throw them up in fact Kaiser has already done so, & the others are only holding on at my special request as I explained I was trying to arrange with yr Dept. to purchase.

I now enclose you letters from both Snail & Stocks withdrawing their entries and I trust there will now be no further hitch in completing the sale.

I am sending these letters to you personally, not in yr official capacity, so that you can make what use of them you think best. My reason for not having them sent direct to Agent Dom. Lands Calgary is, that the Lands would then be open for homesteading, while I was waiting for the necessary permission from you. Meantime some one else might enter for them, and upset all my plans.

There is no monetary consideration in the matter

Small & Hicks are only to anxious to throw up their entries. and have only held on to oblige me.

Will you kindly take this matter into your personal consideration and put the deal thro as there has been a lot of correspondence over a very small matter

In case you should prefer the withdrawal letter to go direct from here to the Agent in Calgary please return them. and I will see they are sent that way. but you would have to notify the Land Office in Calgary to hold the lands for me. otherwise an outsider might get in ahead of me.

Thanking you in anticipation

Yours truly

Yours respectfully

P.S.

I would like withdrawal [illegible] in the event of Jos. Supt. allowing me to purchase these lands at the regular Govmt price of $3.00 [illegible] if not please return them to me. I suppose I can make payments on the instalment plan. D.J.

Sir,

I beg to acknowledge the receipt of your letter of the 16th of May last, and in reply to say that it is not possible to cancel the entry of G. Hicks for the North West 1/4 of Section 30, Township 18, Range 2, West Fifth Meridian, on the request of his brother, F. G. Hicks. If the homesteader will execute a formal abandonment on the enclosed form and return it here, the necessary action will be taken, and the land sold to yourself.

Encs.

Mr. Eric C. Small had also better make a formal abandonment of his entry for the South West 1/4 of Section 36, Township 18, Range 3, West Fifth Meridian, and a form is enclosed for the purpose. It is the practice of the Department always to insist upon abandonments being made in this way for reasons which will appear on perusal of the form. This quarter-section will also be sold to you when it becomes available.

Dear Sir

I am duly in receipt of yours of Feb. 22nd and have forwarded a report of the necessary abandonments asked for and as soon as survey will complete the surveys. The SE¼ 2. 19 3 W5th. I have already secured

Owing to the very dry season we are having we all anticipate a very severe winter like we had in 1886 when so many cattle died and are making what preparations we can to overcome ourselves against loss. I am anxious to build a large pasture in which to keep my cows so as the old pasture is used and there is just one quarter of land NE¼ 32. 18. 3 W5th that I would like to include in it. as it has a little water some shelter. This adjoins other lands owned by me. This land is so close to the mountains that it is of no use to anyone but myself. and I would like to secure it before including it in my fences.

If you can arrange with Mr Sifton to sell me this quarter. I shall personally be very much obliged

begin. This additional 40 would only make a pick up section of land. The department have told me.

I may ask for a month later as the season is passing so very quickly. But then will soon not be much time left for doing any work.

Thanking you in anticipation

I beg to submit for your perusal Mr. J. Walter Ings' letter of the 8th instant hereath, in which he states that he is anxious to purchase the N. E. ¼ of 32--18--3, W. 5th, which adjoins other land owned by him and is so close to the mountains that it is of no use to anyone but himself.

The Deputy Minister instructed in his memorandum of the 30th June last that the following lands might be sold to Mr. Ings when they became available:- The N. W. ¼ of 30--18--2, W. 5th M., the S. W. ¼ of 36--18--3, W. 5th M., and the S.E. ¼ of 2--19--3, W. 5th M.

Mr. Ings was also allowed by the Departmental letter of the 8th October, 1901, (file 286647) to purchase a small piece of land containing about 25 acres lying in the W. ½ of the S. W. ¼ of 30--18--2, W. 5th M., the traverse of the river to be made at his own expense; but, as the Messrs. Hicks Bros., also made application to purchase this parcel on the 18th March last (file 551746) the Minister ordered that a homestead inspector's report be called for,

The land now applied for is vacant in the records of the Department.

Dear Sir

A short time ago I wrote Mr Smart asking if he could arrange with you, to allow me to purchase the NE 1/4 of Sec. 32. 18. 3 W 5th but have had no reply from him. The town had a very dry summer. and we all fear we are in for a severe winter. such as we had in 1886 when so many cattle perished. I am making what preparations I can in anticipation of this. and will build a large stable, in which to shed my cows. as we often [illegible] when the snow comes deep. The quarter section I ask for. I would like to include in my fence. as it has a lot of shelter in the way of brush. It also has some water. This land is close up to the mountains is all hill, or hill side. & of course has no improvements on it. I own land near & immediately back of it so would not in any possible way interfere with anyone. as I have no neighbors within miles. Thanking you very kindly at the expense of my work. Senator Leo without

permission to purchase other three quarter section,
which with this little bit, will make just one section
of Govmt land sold near.

936342

The season is short and I am anxious to get
to work at once, and am only waiting for permission
to include this land, before commencing my fence.

I really need this land, as having so many
cattle, it is absolutely necessary for me to make
all the preparation I can, so as to avoid as
serious a loss, as we sustained in in the early days.

I shall take it as a personal favour if you will
arrange this for me, and I will do what I can to
return an equivalent, when election day comes around.

I would have written you before instead of Mr.
Sinnard, but I saw by the papers, that you were away
from Ottawa.

As I am at a standstill, until I hear from you,
may I ask for a prompt reply.

Dear Sir,

I beg to acknowledge the receipt of your letter of the 5th instant, addressed to the Minister of the Interior, with regard to your desire to purchase the North East quarter of 32, 18, 3, West of the 5th Meridian, and in reply to state that considering the fact that you have been permitted to purchase such a large quantity of land recently I am afraid it would hardly be possible to grant your present request. I may explain that it is not now the policy of the Department to sell any land except under very exceptional circumstances. A departure from this rule was made in your case when you were allowed to purchase some time ago three quarter section in this Township, and as the law provides that no more than six hundred and forty acres of land can be sold to any one person it would be necessary to obtain special authority from Council to sell you the parcel which you now apply for. Under the

Sir

I wrote you some little time ago asking if you would kindly give me permission to purchase the NE 1/4. 32. 8. 3 W 5th as I wished to include it in a pasture fence. I wished to include it. We have very prospect of a land boom and are anxious to secure ourselves as much as possible and I would very much like to get this bit of land. As per I have only purchased 400 acres of Dom. Lands and surely this little bit can make no difference especially as it is so far up in the hills. It seems rather hard that after being here over twenty years that the Govmt will not allow one to secure himself a little bit by allowing him to purchase some land.

I really need this. and as it is a small bit

MEMORANDUM:

I beg to submit for your perusal the copy of letter of Mr. J. Walter Ings letter of the 30th. November last, with an application to purchase the [illegible] of section 4-39-3 west 4th. meridian, at the rate of $ [illegible] per acre.

The parcel applied for is held under lease for grazing purposes by W. and J. . Ings. No reason is given for the land it may contain more or less than 160 acres.

With reference to Mr. J. . Ings' statement that he made application to purchase the [illegible], of section 32-38-1 west 5th. meridian, and has not been able to obtain a reply from the Department, I may say that his application for this parcel was duly considered and that he was advised by Mr. Smart, then Deputy Minister, on the 22nd. September last, (file No. 451680 I.L.B.), that in consideration of the fact that he had been permitted to purchase a very large quantity of land recently, it would hardly be possible to grant his request.

Mr. Smart also explained that it was not now the policy of the Department to sell any land except under very exceptional circumstances and that a departure from this

rule

rule was made in his case that he was allowed to purchase, sometime ago, three quarter sections in said township 19. Mr. Smart added that, as the law provides that no more than 640 acres of land can be sold to any one person, it would be necessary to obtain the authority of Council to sell him the parcel which he had applied for and that, under the circumstances, he was of the opinion that the Department would be justified in asking Council to authorize any further sale.

Dear Sir

You were good enough to write me some time before Xmas. that you would look into the question of obtaining me a couple more qr. sections of land. about which I had been writing you. The qr. sec. I especially referred to was NE¼. 32. 18. 3 W 5th. which I mentioned to you personally. I also asked if the Doiuk would not sell a lot of land along the fork river. that is practically could be farmed. & which is only suitable for winter grazing for cattle. This land is not worth more than $1.00 per acre. and there are lots of stockmen who would be willing to pay that price for it. so as to make Homesteads secure. As time is passing. I shall be glad if you can spare a moment to look into this. and allow me to purchase this qr. sec. NE 32. 18. 3 W 5th.

Thanking you in anticipation

Yours very truly

Wm. Walker

Sir:

On the 24th June last I applied personally at the Dominion Lands office, Calgary, to homestead N.W¼ 30-18-2 W 5th M. and was informed it had been homesteaded by M. G. Hicks, I then made written application, asking that in case it should be again open for homestead entry, I should be notified. I was accordingly notified the following week that the land was then open for entry, and on the 10th July I made my homestead entry upon it. I am now informed "that under instructions from the head office my entry has been cancelled as it was granted in error, this land being covered by a prior application". I am at a loss to understand how this could be as the Calgary office knew of no prior application and the moment Hicks' entry was cancelled they notified me to make my entry, so I must therefore have been the first applicant.

I was aware that my neighbour Walter Legg, had been promised permission to purchase this land, and if he is the "prior applicant" I shall be willing to let it go, but if not I must protest against this land being taken from me in such a summary manner, and must ask you to reconsider your decision, as I fail to see the justice of your cancelling my entry.
I shall be glad if you will look into this matter and see that I am treated fairly.
I have lived in this neighbourhood for four & a half years & have 135 head of stock on this range, and consider that I am entitled to some consideration.

I am, Sir

Yours obediently

Sir,

I am directed to acknowledge the receipt of your letter of the 20th November, having reference to the N.W.¼ of Section 30, Township 18, Range 2, West 5th Meridian, and in reply to state that, as this parcel is now vacant and available in the records of the Department, you may purchase it at the current rate of $3.00 per acre and on the usual terms of payment, provided the acting Agent of Dominion Lands at Calgary, to whom a copy of this letter is being sent for his information, knows of no reason to the contrary. The terms of sale will be either the whole of the purchase money on or before the 1st proximo or within that time limit one quarter down and the balance in three equal annual instalments with interest at [illegible] per annum.

With respect to the ¼ of the S.W.¼ of the same section, North and East of the River which you state you are now prepared to purchase, I may say that the traverse of the river does not appear by the records here to have as yet been made. The Surveyor-General is, however, now being asked to report in the matter and state whether or not the areas of the portions of the quarter-section on each side of the river have been calculated. The Deputy Minister of Interior
Ottawa, Ontario

Dear Sir,

I understand that the North West and South West of Section 30 Township 18 Range 2 West 5th Meridian has been set aside as water reserve and also that water reserve land has been sold to private individuals in this district. As the above mentioned land is situate immediately west of my homestead viz the North East Quarter of Section 30 Township 18 Range 2 West of the 5th Meridian I should feel very grateful if you would give me an opportunity of purchasing same.

If it is not possible for me to have an option of purchasing this land my desire is that it should

remain as water reserve (being necessary) - for watering purposes

Apologising for troubling you and thanking you in anticipation I remain

Yours sincerely

M.R. File No. 900,656.

Department of the Interior,

Ottawa, September 12th, 1904.

Mr. Rowatt,

Mr. F. G. Rodell, of Okotoks, wrote to the Department on the 4th July last asking that the North half of the North West quarter of Section 17, Township 20, Range 1, West of the 5th Meridian, be withdrawn from the stock watering reserve and the application was referred to the Inspector of Ranches for report.

The Inspector now reports that there is an excellent spring on this land near the North line which flows North across the road allowance onto the premises of Mr. William Maloney, who lives on Section 20 in the same township. The district has ceased to be in any sense an open stock country the land to the North and West of the spring is fenced up and farmed with the exception of the remainder of the West half of this Section. As the spring crosses the road affording water for stock travelling thereon and there is little or no open range in the immediate vicinity, the Inspector does not consider that the reservation of this land for stock watering purposes is further required. In view of this report I think the land might be withdrawn from the reserve and disposed of under the Regulations.

MEMORANDUM:-

Last Summer an application was received from Mr. F. A. Marnock for permission to purchase the South West ¼, Section 20, Township 21, Range 2, West Fifth Meridian, and Mr. Smart seemed to be desirous of meeting his wishes. A report has been obtained from the Homestead Inspector, from which it appears that the homestead held by Mr. Marnock, the South East ¼ of the same Section, is very rough and only fit for pasturage. The Inspector recommends that the application to purchase be granted, and he has valued the South West ¼ at $3.00 per acre.

if any.

DEPARTMENT OF THE INTERIOR

OTTAWA. 8th April, 1927.

Memorandum:

Mr. Hume.

Frl. Sec. 32-38-26-4. 4th M.

In compliance with the Asst.Commissioner's request of the 7th instant, I am submitting herewith a sketch and statement showing the standing of the above described fractional section.

According to information on files hereunder the W.½ 32 is patented. The E.½ 32 was reserved in 1908 in connection with the proposed park at Red Deer Canyon. This reservation was relinquished by Parks Branch in 1920 and the half section was transferred to the Soldier Settlement Board under authority of the Order-in-Council of the 30th October, 1918. The lands were re-transferred to this Department on the 31st May, 1921 and posted for settlement.

The N.E.¼ 32 was entered for as a homestead by James Jeffrey Kitchen in 1911 and was patented on the 19th October, 1916. The S.E.¼ 32, East of River, was entered for as a homestead by Thos.H.Hughes in August, 1922 and he has secured advances from the Soldier Settlement Board to the amount of $6,500.00. From evidence on file it would appear that Mr. Hughes is in default regarding the performance of duties.

The only vacant land in this section would appear to be that portion of the S.E.¼ 32 West of River containing an area of approximately 16.9 acres, coloured red on sketch hereunder. That portion of the N.E.¼ 32, East of River, was apparently disposed of to Mr. Robinson, the patented holder of that portion West River.

LAND PATENTS BRANCH

OTTAWA, 11th May, 1927.

Sir:

I beg to say that your application on behalf of the Alberta Natural History Society to acquire certain portions of Section 32, Township 38, Range 26, west of the 4th Meridian, for recreational purposes, has been referred to this branch for attention, and I beg to enclose for your information a copy of the Order in Council dated the 29th June, 1922, which sets forth the departmental requirements to be complied with in connection with applications to acquire land for such purposes. Besides the annual rental of $1.00 a lease fee of $10.00 is also charged for the preparation of a lease. It will be observed from this Order in Council that applications of this nature may be considered only from a municipality or agricultural society and it is thought that arrangements might be made whereb either one of these bodies might apply for the land in question under the terms of this Order in Council and allow you the use thereof for the purposes desired.

Encl.

I may add that the only land in this section which appears to be available is the 16.9 acres in the S.E.¼ lying west of the river, the balance of the section having been otherwise disposed of.

Your obedient servant,

(N. O. Coté)

Dear Sir:-

Re: Mrs. J. H. Arblaster)- Seed Grain & Relief.
E. A. Wathen.)
Municipal District of Bow Island, #94.
N.W.¼ 35-10-11-W.4th

These people obtained the following advances for seed and relief from the Municipal District of Bow Island:-

Seed

April 29, 1918	-	$ 84.00
May 6, 1921	-	55.00
April 27, 1922	-	129.15
May 17, 1922	-	11.55
		$279.70

Relief

Oct. 21, 1919	-	$43.50
May 10, 1920	-	52.90
March 23, 1920	-	67.00
April 27, 1922	-	51.25
April 27, 1922	-	18.36
May 5, 1922	-	17.74
May 5, 1922	-	6.50
		$257.25

On December 6, 1922, he repaid the sum of $93.89 on account of seed grain. On December 31, 1931, his indebtedness with interest will be:-

Seed Grain:-

Principal	$191.33
Interest	166.61
	$357.94

Relief:-

Principal	$257.25
Interest	199.57
	$456.82

These advances were secured by means of land liens registered against title to the N.W.¼ 35-10-11-W.4th by means of the following instruments 3769 C. Y., 5033 C. W., 1129 D. Y., 1130 D. Y., 4[illegible] C. Z., 1128 D. Y.

The quarter was the registered property of Lizzie Arblaster and Wathen was farming it under some sort of agreement between the two of them.

E. J. Fream, Esq.

There was a prior mortgage registered against the title, however, which has since been foreclosed and the land therefore no longer affords any security for the seed and relief indebtedness as the liens were wiped out in process of foreclosure.

Both debtors have left the district and Mrs. Arblaster, who was a widow, has since remarried.

The present whereabouts of Nathen are unknown and nothing can be collected from either.

I therefore recommend that this account be written off as uncollectable, both in so far as it affects these parties indebtedness to the Municipal District, and the indebtedness of the Municipal District to the Province of Alberta.

Yours truly,

Director.

M. D. of Bow Island No. 94.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the Municipal Seed Grain and Joint Relief Liens, charged against the N.W.¼, 35-10-11-W. 4th Mer., for advances made to Mrs. J. H. Arblaster, and H. A. Wathen, by the Municipal District of Bow Island No. 94, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated December 8th, 1931, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made title to the said land was registered in the name of Lizzie Arblaster, subject to a first mortgage which had priority to the liens, and that the interest of H. A. Wathen in the said land appeared to be under an agreement between the two parties.

2. That the Mortgagee foreclosed upon the security and became registered owner of said land and that by such foreclosure the liens were eliminated therefrom.

3. That both debtors have left the District and there is no possibility of making any collection under their personal covenants.

The Board .....

5576690

The Board therefore recommends that the liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Chairman, Seed Grain & Relief Adjustment Board.

After a thorough search has been made I am unable to locate Fiat No. 407334 covering File No. 18816, the Town of Bow Island, in the above described quarter section.

It would be greatly appreciated if you would be kind enough to let me have a certified copy of the same in order that it may be duly recorded in the Department.

I believe I have told you in previous correspondence that several fiats which were inadvertently shipped to this office from Ottawa have been returned to British Columbia, Saskatchewan and Manitoba, but so far none have been received from the governments of these provinces.

Department of the Interior,

PATENT BRANCH.

Ottawa, 19th Sept, 1915.

Sir,

You have been recommended for patent for the S. ½ of Section 2, Tp 48, Rge 20, West of the 4th Meridian which, according to the official plan of survey contains an area of 11 acres, the remainder of it being covered by the waters of a certain lake. As the waters of this lake may have receded, making the land which was then covered by water more or less fit for cultivation, it is possible that you may wish to have the patent for your homestead issued to cover the full theoretical area of 160 acres, which includes the land and the land covered by water.

If you desire the patent issued in this way, on your filing with the Department here a solemn declaration, a form of which is herewith enclosed, to be made in accordance with the provisions of "The Canada Evidence Act, 1893," that the land covered by the waters of the said lake, as shown upon the official township plan, is now dry, the patent can then be issued for the full theoretical area of 160 acres, more or less.

Your obedient servant,

Perley G. Keyes,

Secretary
